

DON'T MISS OUR

# 2 DAY VIRTUAL PROJECT WORKSHOP

Building on the BIM Acceleration Committee's 'BIM 101' seminars, you are invited to attend a hands-on, **2 day virtual project workshop** where multi-disciplinary BIM workflows and **technologies** are experienced first-hand.

**bim**academy

## WHO SHOULD ATTEND?

If you are in Senior Management, a Project Professional or Team in Construction this course is for you.

This workshop is a unique opportunity to work hands on and be exposed to a virtual BIM project, whilst experiencing and appreciating the considerable value of BIM work-flows and technologies.

After 2 full days, you will have a strong understanding in the implementation of BIM processes, have sampled various BIM software and had all your questions answered by our BIM experts.

**\$1,750**  
per delegate
